Superintendent and Board President Welcome

Welcome to the 2017-2018 school year in the Allentown School District. This official Code of Conduct student handbook provides every student with an overview of key policies and sets the boundaries to establish a safe and inviting learning environment for all students. Each student is asked to use this guide to achieve our core values of respect, responsibility, honesty, and accountability. Parents and guardians are asked to review this booklet with their child, then sign and return the Parent/Guardian Pledge Form as acknowledgement of this review. The form can be found on page 1 of this booklet or in your school's main office.

This Code of Conduct explains the systematic process for consistent monitoring of behavior in the school setting. Inappropriate behavior is documented to clearly understand the root cause of the behavior and to ensure that we are providing appropriate support and/or intervention. It outlines school policies and procedures that each student needs to know to understand and adapt to while in school. Of particular interest:

1. Select Board policies are listed in alphabetical order. A complete listing of Board policies can be found on the ASD website at www.allentownsd.org or you can request a printed copy of any policy from your school office.
2. Responsibilities of students, parents/guardians, faculty/staff and administrators.
3. An outline of the consequences for the four Levels of Code of Conduct infractions:
 - Level I: Teacher-Enforced Consequences / Classroom Disruption
 - Level II: Administrator-Enforced Consequences / Minor Offenses
 - Level III: Administrative Team-Enforced Consequences / Major School Offenses
 - Level IV: Administrative Team-Enforced Consequences / Expellable Offenses
4. An outline of the ASD School Uniform Guidelines.
5. A form to report unlawful or sexual harassment issues.

Every school administrator is here to assist our students and their parents and guardians in their pursuit of academic success. Additionally, each school has a team that provides countless support services to meet the needs of the "whole child" as well as the needs of the family.

Our goal is to work collaboratively to deliver a balanced education for all of our students. Every child deserves the appropriate support and care that will help them attain their own level of success. Working together — students, parents and guardians, administrators, teachers, support staff and the community — we can reach that goal.

We thank our students, parents and guardians in advance for their support in adhering to the Code of Conduct. We look forward to working together with our students and their families as we guide each student on their own path to academic success.

Kindergarten Requirements

Children five (5) years old on or before September 1, and who live within the Allentown School District, should register for Kindergarten before the first day of school. Ask at your neighborhood school when pre-registration is scheduled.

Once your child attends Kindergarten, he/she is subject to the same attendance/truancy guidelines as every ASD student.

Child Nutrition Services, Emergency Notification

Child Nutrition Services

Child Nutrition Services understands that good nutrition is essential to a student's health and development. We encourage our students to eat nutritious school meals in an effort to enable each student to concentrate and learn.

School Meals

Breakfast and lunch are served at no cost to all students regardless of income.

The Allentown School District falls under the Community Eligibility Provision (CEP) – a provision from the Healthy, Hunger-Free Kids Act of 2010 that allows schools and local educational agencies (LEAs) with high poverty rates to provide free breakfast and lunch to all students. CEP eliminates the burden of collecting household applications to determine eligibility for school meals.

Menus and Nutritional Information

Child Nutrition Services monthly menus and menu nutritional analysis can be found on the ASD and each individual school's website by clicking the menu tab or by going directly to: **www.allentownsd.org/content/school-menus**.

Notification of an Emergency at School

The Allentown School District will ensure that information about **emergency closings or operations** in the District or at a school building will be **available through the local media (TV, radio, etc.), on the school website and through School Messenger (automated phone messaging system)**. School staff receive Emergency Operating Procedures training and work together with local law enforcement, emergency management services and public health agencies to provide a safe learning environment for our school community. Any district message would be posted on the website following the call. For more information on school emergency operations, please request a copy of the "Family Guide to School Emergencies" brochure at your child's school or check on **www.allentownsd.org**.

Comprehensive Suspension Program (CSP)

A systematic continuum of support... Fundamental components of resiliency include a classroom design that offers **CLEAR and CONSISTENT BOUNDARIES**. Age-appropriate expectations are displayed and taught, in the classroom norms are consistently implemented, and procedures are followed. The teacher **TEACHES "LIFE SKILLS"**, within the context of the classroom, establishes cooperation from students by utilizing healthy conflict resolution strategies, problem-solving and decision-making skills. Life skills are taught directly and reinforced proactively to ensure a healthy climate for learning. In the event that challenging behaviors occur, the staff will utilize the CSP model as a consequence/intervention system.

Transfer Students

Upon enrolling in the school district, new students should immediately receive uniform guidelines. If parent(s) or guardian(s) indicate a financial hardship in compliance with uniform guidelines they should be given an application for financial assistance. Schools should make every effort to support family, including utilizing items in uniform bank.

Exemptions/Accommodations

Religious/Medical/Special Needs Exemptions: If the parent(s)/guardian(s) of a student has what they consider a bona fide religious belief or medical or special needs situation which precludes strict adherence to this policy, the student's parents(s)/guardian(s) may fill out the appropriate waiver form and submit all other documentation reasonably requested by the administration to establish their exemption. Forms are available in each school's main office.

- Parent(s)/guardian(s) requesting an exemption from the guidelines will be required to meet with the school administration and/or designee to discuss the guidelines and the nature of the circumstance necessitating a waiver.
- Following the meeting, the building administrator and/or designee shall render a written decision, approving or denying the requested waiver. Any exemption from the guidelines granted by the building administrator and/or designee shall be limited to the minimum variance from the guidelines necessary in light of the specific, bona fide religious, medical, or special needs situation, which precludes strict compliance. The exemption as allowed will be clearly stated.

School Uniform Guidelines and Non-Compliance Consequences

- Paperwork regarding the request for exemption shall be noted in the Student Information System (Sapphire-Notes) and placed in the student's permanent folder. Documentation for special needs students shall be placed on the student's IEP or 504 Plan. Medical exemptions can be documented and kept in the child's health record and/or 504 Plan.

Religious exemptions: Examples of these can be the use of religious headwear such as a hijab (women) or Kufi and/or Turban (men). Recommendations for administrators would be to allow such headwear as long as colors match the color palette of the school uniform policy at each level. If specific colors/patterns are requested to be worn by the student then documentation must be required that explains the request.

Students with Special Needs: Examples of accommodations could be the use of alternative materials based on sensory needs or use of elastic waist pants for toileting needs. These accommodations should be allowed and documented in the student's IEP. Every effort should be made to have students follow the color requirements at each level, regardless of accommodations.

Consequences for Non-Compliance of Uniform Policy

The Allentown School District and its staff recognize that there may be circumstances that occur when students are not in compliance with the uniform policy. The following is a guide for non-compliance of such infractions, however the building administration and/or designee should make every effort to investigate, support, and communicate with families to resolve issues related to non-compliance of uniform procedures before administering any documented disciplinary infraction.

Upon the first and second infraction:

- Student may be removed from classroom until a change of dress can occur
- Parent/Guardian contacted
- Warning given
- If parent/guardian cannot provide uniform, student may receive uniform for temporary use

Upon the third and subsequent infractions:

- Student removed from classroom until a change of dress can occur
- Parent/guardian contacted
- Referral may be made to Student Assistance Program (SAP)
- Student may be assigned administrative detention(s)
- Students repeated violations of uniform policy will be considered guilty of defiance (Level II infraction)

Grading Guidelines & ASD Policy Summaries

Middle School and High School Grading Guidelines

The Allentown School District is committed to providing a high quality, standards-aligned, rigorous, and well-rounded education to the students of Allentown. The grading process should be equitable across schools and content areas. Grades should enhance learning and represent knowledge and skills in that content area.

We believe:

- Students should have multiple opportunities to demonstrate knowledge and skills.
- Students and parents/guardians should have a clear understanding of how grades will be earned.
- Students should have multiple assessments prior to the final product in a class or course.
- Students should receive meaningful feedback in a timely manner.

Homework/Late Work Guidelines

Homework

Homework is an important component of academic success used to practice, maintain and develop skills. It may be used as a follow-up to a lesson, as a skills reinforcement, and/or as independent practice to maintain mastery of skills. The amount, frequency and purpose of homework will differ by content area and course.

Late Work Policy

If a student is absent, it is the student's responsibility to find out what has been missed. Late work will be accepted with penalties.

Student Information System

The District utilizes a student information system known as K-12 Sapphire. Please go to your school's website, click on the "Parents" tab, then click on "Parent Portal" to access and/or register you and your child. See your principal for more information.

Attendance (Under Revision)

This policy outlines how all students enrolled in the Allentown School District must attend school on a regular basis during the days and hours that school is in session, unless excused, and the consequences for failing to do so.

- **Absence** means a student's non-attendance on any school day or one-half school day.
- **Tardiness** means an unapproved absence for less than one-half school day. Periods of tardiness may be considered as cumulative and may be translated into equivalent days of absence. The equivalent days of absence may lead to consequences for the student/family.
- **Habitually truant** means absence for more than three school days or equivalent following the first notice of truancy.

A student may be excused for temporary absences such as mental, physical, medical or dental appointments, court appearances, family emergencies and other urgent reasons. "Urgent Reasons" will be strictly interpreted and shall not permit irregular attendance of students.

A parent/guardian must notify the school by telephone, by 3:00 p.m. on the date the student is absent. Within three (3) days of the student's return to school, the parent/guardian **must** provide to the building principal or designated official written evidence or proof of the reason for absence in order for the absence to be excused. Absences shall be treated as unlawful or unexcused until written notice/evidence explaining the absence is received by the District. An excuse form is not automatically approved.

See Policy #204 for the procedures to be followed for absences due to a student's observance of a religious holiday and religious instruction.

A student will be excused for participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group if requested in writing prior to the event.

See Policy #204 for Temporary Absence Permits to be used for approved family trips.

Students will be excused from attending schools in the ASD under the following circumstances:

1. Students enrolled on a full-time basis in non-public or private schools.
2. Students at least age fifteen (15) whose enrollment in private trade or business schools has been approved.
3. Students at least age fourteen (14) who have completed sixth grade, are engaged in farm work or private domestic service under duly issued permits.
4. Students at least age sixteen (16) who are regularly employed during the school session and hold a lawfully issued employment certificate.
5. Students receiving tutorial instruction in a field not offered in the District's curriculum from a qualified tutor approved by the Superintendent.
6. Homebound children unable to attend school on the recommendation of the school physician, school psychologist or a psychiatrist and approval of the Pennsylvania Secretary of Education.

If a student has three (3) unexcused absences, the District will serve a truancy notice of these absences upon the parents/guardians. If a student receives any more unexcused absences after receiving the truancy notice, a citation for violation of the compulsory school attendance laws will be filed with the District Justice. If convicted, parent/guardian and/or student may be sentenced to pay a fine and/or court costs, be mandated to perform community service, or be sentenced to complete a parenting education program. Failure to comply with any truancy sentence may result in incarceration.

A student under age thirteen (13) who fails to comply with the compulsory attendance laws shall be referred for community services (i.e. Lehigh County Office of Children and Youth Services) or possible disposition as a dependent child.

Refer to Policy #204

If you are having attendance issues with your child, please contact your school. Contact information is on page 7 of this booklet.

Bullying/Cyberbullying

This policy explains why a safe school environment free from bullying is necessary for students to learn and achieve high academic standards. **For the purpose of this policy, bullying is an intentional electronic, written, verbal or physical act, or series of acts (a) directed at another student or students, (b) which occurs in a school setting, (c) that is severe, persistent or pervasive, and (d) that has the effect of doing any of the following:**

- 1. Substantially interfering with a student's education;**
- 2. Creating a threatening environment; or**
- 3. Substantially disrupting the orderly operation of the school.**

For example, bullying could be cyberbullying and/or a form of harassment in which the behavior is intended, or perceived to intend, to harm or cause distress to another. It may include, but is not limited to, actions such as verbal taunts, physical aggression, extortion of money or possessions, exclusion from peer groups within school, name-calling and derogatory comments, including any discriminatory statements prohibited by and consistent with the school district's non-discrimination and harassment policies.

Refer to Policy #218 and the Code of Conduct Classifications for level of infractions.

Student Expression

This policy establishes that students have the right to express themselves and distribute materials unless it interferes with the educational process, threatens immediate harm to the welfare of the school community, encourages unlawful activity, or interferes with another individual's rights.

See Policy #220.

Student Records

This section lets parents/guardians and students know of their rights to inspect the records of their child(ren) or themselves and to give consent for disclosure of these records. It also explains the conditions when parent/guardian or student consent is not required for disclosure of information. The parent has the right to write in to administration and request their child(ren) opt out of sharing their child(ren)'s directory information.

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students eighteen (18) years of age or older ("eligible students") certain rights with respect to student education records.

Parents/guardians and eligible students have the right to inspect and review the school records of their child(ren) or themselves. A request to do so shall be submitted in writing to the building principal, who will comply within 45 days of receiving the request. The principal will make arrangements for access and will notify the parent/guardian or eligible student of the time and place where the records may be inspected.

Upon inspection and review, a parent/guardian or eligible student may request an amendment to the record by identifying in writing the portion of the record believed to be inaccurate or misleading and the reasons, and submitting this to the building principal. If the school decides not to amend the record, the parent/guardian has the right to a hearing.

Prior consent by the parent/guardian or eligible student is required to disclose records. Prior consent is not required to disclose information under the following conditions:

1. To school officials, including teachers who have legitimate educational interests, and clerical personnel responsible for records management
2. To schools in which a student seeks or intends to enroll
3. To Federal, State and local authorities involving an audit or evaluation of compliance with education programs
4. In connection with financial aid for which the student has applied or which the student has received
5. To organizations conducting studies for or on behalf of educational institutions
6. To parents of a dependent student or to an eligible student
7. To comply with a judicial order or subpoena
8. In a health or safety emergency
9. To disclose directory information, which may include, name, grade, school of attendance, extra-curricular involvement, and honor roll or award attainment, unless written notification restricting such disclosure is given to the building principal prior to the start of each school year
10. To state or local officials in connection with serving the student under the juvenile justice system

A noncustodial parent is afforded the same rights as a custodial parent, provided there is not a court order, state statute or legally binding document that specifically revokes these rights and which has been provided to the school.

A fee will be imposed for providing a photocopy of the records to the parent/guardian or eligible student.

Complaints regarding violation of rights accorded parent(s)/guardian(s) and eligible students with respect to student records shall be submitted to Superintendent, Allentown School District, 31 South Penn Street, P.O. Box 328, Allentown, PA 18105, in writing. All complaints will be investigated and responded to in writing within a reasonable period of time. If complaints cannot be satisfactorily resolved by the District, complaints that FERPA has not been followed can be filed with the following: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-4605.

Students work on classroom assignments, homework help, or social-emotional learning practices as specified by classroom teachers or as defined by their IEP (Individual Educational Program). Students must be informed of the reasons for the suspension and given an opportunity to respond. Suspensions should not exceed ten (10) consecutive days. Parents are to be notified of the reasons for suspension and the length of suspension. A Principal or designee may suspend students. Special Education guidelines must also be followed.

** After three (3) days of out-of-school suspension, the parent/guardian is offered an informal meeting with the administrator.*
